WARRANTY FOR AIO PC PRODUCTS (AUSTRALIA ONLY) (ALL IN ONE PERSONAL COMPUTERS)

PART I GENERAL TERMS AND CONDITIONS

The Australian Competition and Consumer Act (2010) (including the Australian Consumer Law) as well as other Australian laws guarantee certain conditions, warranties and undertakings, and give you other legal rights, in relation to the quality and fitness for purpose of Samsung consumer products sold in Australia.

In Australia, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. What constitutes a major failure is set out in the Australian Consumer Law.

Nothing in this Warranty purports to modify or exclude the conditions, warranties and undertakings, and other legal rights, under the Australian Competition and Consumer Act and other Australian laws. This Warranty gives you additional protection for your Samsung consumer product, and identifies a preferred approach to resolving warranty claims which will be quickest and simplest for all parties, subject to the exclusions, terms and conditions below.

I. Coverage and Application

- (A) Samsung Electronics Australia Pty Ltd of 3 Murray Rose Avenue Homebush Bay NSW 2127 ("Samsung") warrants that your Samsung consumer product:
- is of acceptable quality;
 - does not have a latent defect.

- (B) For the purpose of this Warranty, a "Samsung product" is a product which:
- was manufactured by or on behalf of Samsung; and
 - bears a trade mark owned or used by Samsung (generally "SAMSUNG"); and
 - was sold by an Authorised Reseller or Distributor of Samsung; and
 - was purchased in Australia,

but does not include any hardware or software which is packaged or sold with a Samsung product unless that item is incorporated into the Samsung product or, in the case of software, pre-loaded onto the Samsung product at the time of sale or that is itself a Samsung product.

II. Warranty Period

- (A) The period during which this Warranty is in effect will depend upon the Samsung product to which it relates. In all cases the commencement date for the period is the actual day of purchase, as reflected on the Authorised Reseller's or Distributor's invoice / receipt provided to you. The period during which each Samsung product which is the subject of this Warranty is covered by this Warranty is identified in Part II of this Warranty.

III. Warranty Claim

- (A) If you consider that the Samsung product which you have purchased is not of acceptable quality, has a latent defect, or is otherwise not compliant with the conditions, warranties, undertakings, and legal rights given to you under Australian Law (for example, it appears faulty, or does not work at all or properly), you can make a claim under this Warranty.
- (B) Except where an International Product Warranty has been provided with your Samsung product, warranty service will only be provided in the specific country where the Samsung product was originally purchased. For example, if you have purchased the Samsung product within Australia, warranty service will be limited to Australia only.

- (C) If you purchased this product in Australia and wish to make a claim under this Warranty, you should:

contact 1300 362 603;
visit the nearest Samsung Customer Service Plaza; or

PRODUCT ONLINE REGISTRATION

You can register your product online at www.samsung.com/au. While registration is not necessary to make a claim under this Warranty, it may assist Samsung to process any claim which you may make more quickly.

- (D) When you make any claim under this Warranty it is essential that you provide a copy of your proof of purchase of the Samsung product, whether in person, by email or by fax. A claim under this Warranty is not formally made unless and until that proof of purchase is provided. This does not detract from your statutory rights.
- (E) You will not be able to gain the benefit of this Warranty without making a claim.
- (F) If, following receipt of a claim under this Warranty, Samsung or its agent determine that your claim in respect of a Samsung product is valid (having regard to the terms of Part II of this Warranty), and:
- if the goods can be repaired and the failure to comply with the warranty is not a major failure or a failure of substantial character, Samsung or its agent will either repair the Samsung product or, if authorised by Samsung, pay you for the cost of a repair of the Samsung product, or replace the Samsung product with the same or similar product or refund you the cost of a replacement, in each case depending upon what is reasonable in the circumstances and at no cost to you. Goods presented for repair may be replaced by refurbished goods of the same type with equal or greater functionality rather than being repaired. Refurbished parts may be used to repair the goods; or
 - if the goods cannot be repaired or the failure to comply with the warranty is a major failure or a failure of substantial character, you may reject the goods or require Samsung to pay you compensation for any reduction in the value of the goods below the price paid or payable by you for the goods.

The standard Samsung warranty periods are set out by product in the tables in Part II of this Warranty, although each claim is assessed on its own merits. If Samsung provides you with either a replacement or refund, you immediately transfer ownership in the original Samsung part or product to Samsung. Any such resolution by Samsung of a claim under this Warranty by you does not otherwise detract from any other statutory rights which you might have in the circumstances, including your right to monetary compensation for a valid claim.

- (G) If, following receipt of a claim under this Warranty, Samsung or its agent determine that your claim in respect of a Samsung product is invalid, Samsung may charge you for any labour, parts or transport costs incurred by Samsung or its agent in assessing your claim.

IV. Warranty Transferability

The notice should identify the name of the previous owner of the Samsung product, place and date of purchase, model, make and serial number of the product. The effective transfer of this Warranty does not otherwise alter the terms of this Warranty in any way.

V. Carry-In repairs
